

Programme:- Beyond the Classroom

College under the aegis of NSS and the Department of Education has started a collaborative initiative called “Beyond the Classroom” with neighbouring MCD schools. This program is a synergetic inter-departmental engagement for meaningful and impactful social change. It aims to strengthen its ties with local community and to share knowledge and expertise for social upliftment and welfare.

This programme has been divided into two phases:-

First phase has been successfully completed in the month of June, 2016 wherein B.El.Ed third and fourth year students has shared their experiences, knowledge and innovative base with students of other departments of our college.

Second phase has been started with great enthusiasm for the duration of one year wherein selected students are going in neighbouring MCD schools and assisting the school children in the following ways:-

- Helping in their homework through various inventive and fun methods.
- Organizing arts and crafts activities.
- Spoken classes for both Hindi and English.
- Session on Environmental Consciousness through their “Best out of Waste program”.
- Using theatre activities, puppet shows etc to make the teaching-learning process more enriching.
- Program on Gender Sensitivity.

Glimpse of the successful completion of first Phase of the programme “Beyond the Classroom”

Activities undertaken in this programme:-

Mentors are involved in guiding how they can use waste material for making the teaching-learning process effective.

Mentors are involved in Arts and Crafts Activities along with other students.

Art and Craft Activities are going on

Lets learn together about application of Art and Craft Activities in schools.

Theatre Activities

**Let's Perform
and learn**

Let's learn by doing.
