### BRIEF DESCRIPTION:

In May 2016, Shyama Prasad Mukherji College, under the aegis of NSS and The Department of Education, started a collaborative initiative called 'Beyond the Classroom' with neighboring Government and MCD schools. Conceptualised by Dr. Nita N. Kumar and Dr. Veena Kapur, the program is a synergetic inter-departmental engagement for meaningful and impactful social change. It is a two-step plan where III and IV year B. El. Ed. students of our college train selected college students to assist in schools. The students of our college assist the school children in the following ways:

1. Helping in their homework through various inventive and fun methods.
2. Organizing art and craft activities, along with providing them with art supplies and stationary whenever required.
