Report of the Internal Academic Audit : (Along with suggestions and recommendations for improvement) The audit of Applied Psychology deptt was conducted on Nov 23-022 in their lab. The department provides ample opportunities to the students not only for their academic excellence but also for their overall development. Faculty takes initiatives for the students to excel and show the best results. Innovative teaching-learning methodologies being adopted. Achievements and initiatives are maintained. It is suggested that an inter-disciplinary activity in collaboration with other departments will benefit the students.
