

Shyama Prasad Mukherji College For Women
University of Delhi
Report of mentorship committee 2019-20

- Mentorship committee was active throughout the academic year under the convenorship of Dr.Anju jhamb and Ms.RenuGupta.
- All the students were divided into small groups of 20-22 and they were allotted mentors.
- In the odd semester, this programme was conducted in the months of September-October 2019
- In the even semester, for Third year students this programme was conducted on 26th February 2020.principal and IQAC team of the college interacted with students.
- For second year and first year students Mentorship programme was scheduled to be held on 18th March and 25th March 2020 which could not be done because of COVID19 lockdown.
- Questionnaires were prepared for all the three years.Academic, stress related, activity orientated, health related, general awareness and professional skill based issues were the part of this programme.
- Record of the issues/problems is maintained by the mentors and according to their report facilities are provided by the institution.
- It is a successful second year of centralized mentorship programme as students turned up enthusiastically in this programme and discuss issues related to academic, social, financial and emotional problems.
- Our vision is not only to provide better services and good atmosphere in the college but also to groom students as future ready citizens.
