Google Form for BA (Hons) 1st year, GE related problems

Students who have been allotted invalid GE subjects* in the list displayed on the college website are required to fill up the following Google form:

https://docs.google.com/forms/d/e/1FAIpQLScNpzCIPyyV3U5xOuOnMTYTajxMbVWVLNRkbxGL_tuKzkfq6w/viewform

* Please note, an invalid GE subject is one that's the same as your parent department (for eg, if an English Hons student has been allotted English as her GE subject) or a subject that you did not list as one of the four GE preferences that you filled in the college admission form. If you have been allotted any one of the GE subjects that you opted for, and if it is different from your main subject, then the allocation will be considered valid and any such request for change will not be entertained.

Once you have filled this form – if your request is legitimate – you will be notified about the change through email. Until then, please continue attending the classes of the GE subject you have been allotted already.

Principal (Officiating)
