dilemmas, not only in India but across the world, we can appreciate and

comprehend the greatness, intentions, implications, indications, superiority and

excellent features of Indian philosophy as well Indian culture. In this pandemic era,

we all can appreciate the pragmatic concern of Indian philosophy. That's why on the occurrence of

world philosophy day, we can unfold the message of Bliss, Harmony and Positive

declarations of Indian Philosophy. Subsequently, Professor Balaganpati spoke on

celebrations of particular days always encouraged, people, to pursue certain

standards and measure as an ordinance for motivation and evolution. He

emphasised that solely anticipated to Indian philosophy during this pandemic we can

differentiates between Indian and western philosophy. Not merely at the conscientious, virtuous level, righteous ethical grade

but at the empirical phase, we have been used thoughts, views, norms and doctrines related

to Indian philosophy. we can identify ourselves as surviving beings. we can recognize that we retain to pursue and obey Nature regulated by Nature in-universe and consciousness as individuals. We human spirits will execute our actions accordingly .otherwise Nature will punish us in the form of pandemics at any time. Professor Sushim Dubeyji accentuated decent modalities should invariably be inculcated in human energies as they have only and only if pursue the principles of Indian Philosophy. Sushimji urged on simple living and high thinking. He emphasised that since the whole world is our family, we have to wield fundamental principles of Univers. so that we can realize the implication of merits of Indian philosophy. We human energies must disseminate the message of humanity and compassion. so that the planet of human civilization can become a global kingdom of Bliss and harmony. All of us can be able to live a healthy wealthy life with the full coalition. We can continue imbibed with authentic human excellence. Thereupon, a question-answer round has begun related to Indian traditions, Indian prescriptions and solutions., a lot of discussions on Indian innate regulations and how we can obey them. An ultimate vote of thanks was given by Pooja sharma with warm gratitude for principal ma'am Prof. dr.Sadhna sharma, TIC, Dr Shubha Sinha, guest speakers, colleagues,
