24. Brief Report:

Mr Saurabh Jain, Vedic Mathematics expert conducted a session for BEEd I year students and Pedagogy of Mathematics students of BEd I year on 11 May 2022. He presented various interesting puzzles and boosters which not only captured students' attention but also gave them exposure to use these in their own teaching in future. He also presented snippets of his experience of working with school students and encouraged the students to have confidence and high morale through various motivating messages throughout the workshop. The USP of the workshop was that it was fun to attend and engaging at the same time.
