

## Shyama Prasad Mukherji College For Women University of Delhi

### DIGITAL INITIATIVES FOR ADVANCEMENT OF LEARNING

Through this digital initiative, we are installing quality online learning practices for students to equip them with various certification ranging from employability to foreign languages. This year we have shifted our add on certification courses online in order to facilitate students across Indian Universities. Each student can also add Employability and Soft Skills Certification as a second certification along with any other course of the choosing.
