

# **BEYOND THE CLASSROOM (2017-18)**

**FOR**

**BRINGING SOCIAL CHANGE....**

## VISION OF THE PROGRAMME

College under the aegis of NSS and the Department of Education started a collaborative initiative called “Beyond the Classroom” with neighbouring MCD schools. This program is a synergetic inter-departmental engagement for meaningful and impactful social change.

## RECURRING EFFECT:

Based on the over-whelming response from the students and MCD schools associated with the programme last year, SPM college again started this programme with zeal and enthusiasm. This year we have broaden our horizon by choosing four MCD schools with the purpose of outreaching the society at large number.

It was divided into two phases: First phase was successfully completed in the month of July, 2017 wherein B.El.Ed and B.Ed students had shared their experiences, knowledge and an innovative base with students of other departments of our college. Second phase was started with great enthusiasm wherein NSS (National Social Service) students went to MCD schools in neighborhood for a complete session (2017-18) and assisted the school children using multiple ways of engagement like organizing arts and crafts activities, theatre activities, puppet shows, helped in their homework through various inventive and fun methods etc.
