

**SPM College for Women**

**GE (for III and IV sems), Missing Students (current II sem) List**

The following students, who are currently in II<sup>nd</sup> semester, have not yet filled their GE options form for III<sup>rd</sup> and IV<sup>th</sup> semesters. Their roll numbers and current GE subjects are given below. The CRs of these classes may be asked to contact these students, and check with them if they wish to continue with the same subject. If not, these students must be asked for their 4 GE preferences. The committee requires their roll numbers, names, course names, and 4 preferred GE options (or a confirmation that they intend to continue with the same GE subject in their III<sup>rd</sup> and IV<sup>th</sup> semesters.) The CRs may collate the relevant data of all such students. Current II<sup>nd</sup> semester GE teachers are requested to pass on this information to the CBCS committee by tomorrow night, 9<sup>th</sup> June. If we do not receive their preferences by tomorrow night, these students will be allotted the same GE subjects that they studied last year.
