NOTICE

As you all were informed earlier through earlier notices on the College website that our college library has become member of **N-LIST: The project entitled "National Library and Information Services Infrastructure for Scholarly Content"**. The N-LIST project provides access to e-resources to faculty, researchers and students from colleges. The authorized users from college can access e-resources and download articles required by them directly from the Publisher's website once they are duly authenticated as authorized users through INFLIBNET Centre.

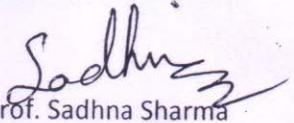

As we all are going through phase of pandemic of Corona Virus and libraries are not accessible to students and difficult for faculty to visit library as they are teaching through online classes. Students and faculty need reading material in digital contents which they can access from home through N-LIST.

All students who have applied for it earlier are required to activate their account using OTP to create password as per detailed instructions and link provided in an email sent to you through NLIST.

All courses students who have not yet applied for the same and need access to N-LIST e-resources may kindly send their request latest by **13th February 2022** to spmstudents.nlist@gmail.com with following details:

1. Name
2. Roll No. YYYY/0001 (Format)
3. Course
4. Contact Number
5. Email ID

IMP. NOTE: Those who have already applied kindly do not send your details again.
