History of the Institution	SPM College was established in 1969 in the memory of Dr. Shyama Prasad Mukherji College, a renowned freedom fighter, educationist and the youngest Vice-Chancellor of Calcutta University. The college was initially situated in a government school building in Tagore Garden. It shifted to the present campus in Punjabi Bagh in 1982. The modest beginnings have not been forgotten, nor has the movement to emancipate young girls taken a back seat.
Vision Statement	The founder principal, Dr. Kamala Sanghi had envisaged for the college: a spacious and vibrant campus, large student strength, well qualified faculty and variety of options in courses of study. Over the years, SPM College has fostered the cause of women empowerment. In the same vision, in 1996, B.El.Ed course was introduced with the aim to produce professionally qualified elementary school teachers. Subsequently, the college introduced B.Ed for preparing teachers for secondary and senior secondary schools.
Mission and Objectives	SPM College's mission is in accordance with the global needs and trends. Our endeavour is to provide a strong foundation for building quality culture within the confines of the four walls of the institution. The commitment of the college is to empower its students socially and professionally, makes it imperative for us to focus on enhancing their employability. Discipline, professional ethics, excellence in teaching and research, selflessness, integrity, objectivity, transparency and honesty are part of SPM's tradition and culture.

Significant Achievements and Contributions in the field of Education, such as Awards/Recognition, Eminent Alumni etc.

Significant Achievements, if any	The college is has many achievements in the field of sports and athletics, NCC and co-curricular activities.
Contributions in the field of Education	The college has eighteen departments including that of Education and Computer Science. The college thus contributes significantly towards education in the liberal arts, as well as in Mathematics, Applied Psychology, Computer Science and Education.
