NOTICE

I am delighted to inform you our college library has become member of N-LIST: The project entitled "National Library and Information Services Infrastructure for Scholarly Content". The N-LIST project provides access to e-resources to faculty, researchers and students from colleges. The authorized users from college can access e-resources and download articles required by them directly from the Publisher's website once they are duly authenticated as authorized users through INFLIBNET Centre.

As we all are going through phase of pandemic of Corona Virus and libraries are not accessible to students and difficult for faculty to visit library as they are teaching through online classes. Students and faculty need reading material in digital contents which they can access from home through N-LIST.

All courses FINAL YEAR students, B.Ed.(1st & Final year), M.A.(Prev. & Final year), B.El.Ed (1st to 4th year), who need access to N-LIST e-resources may kindly send their request latest by 20th September 2021 to spmstudents.nlist@gmail.com with following details:
